

АМОРТИЗАТОРЫ

HAGON

Превосходный выбор для замены устаревших, «свое отживших» амортизаторов. Выгодные по цене, гарантия – 1 год, начиная со дня приобретения.

СТЕРЕОАМОРТИЗАТОРЫ

Известный журнал "Motorcycle News" (май, 1994) провел тест среди амортизаторов таких ведущих фирм-производителей как HONDA, KONI, SHOKA и SEBAC. Амортизатор HAGON не только выиграл этот тест, но и получил премию в номинации «лучшая покупка» ввиду своей доступной цены.

«... HAGON, безусловно, является лучшим приобретением среди прочих амортизаторов. Это подтверждают не только испытания на упругость и амортизацию, но и полученные отличные результаты о ходе штока амортизатора на дорогах, как с ровным, так и неровным покрытием. Быстрая реакция на неровности дороги, эффективное гашение энергии пружины в возвратной фазе работы амортизатора, правильное соотношение удара и амортизации – чем сильнее удар, тем сильнее обратный эффект ...»

МОНОАМОРТИЗАТОРЫ

Отличная замена оригинальным амортизаторам. С регулировкой жесткости пружины, с двухконтурной системой регулировки хода поршня как вверх, так и вниз; чем выше скорость, тем амортизационный эффект сильнее.
